#### Learn About Paperless EOBs

#### Did you know...

You can save the environment and reduce healthcare costs at the same time?

#### Share the Benefits of Technology

EOBs or Explanations of Benefits let you know when a medical, vision or dental claim is processed on your behalf. By changing from paper EOBs, which are often thrown away – to Paperless EOB notices, you can access the same information electronically, reducing waste and helping our environment.

Electronic EOBs are print-ready, so if you need the paper for any reason you will be able to generate your own copy from this website. If you do not have a printer and need a paper copy of your EOB sent to you, call customer service on the back of your ID card.

Selecting "Paperless" will stop EOB statements from being mailed to you (and to any minor dependents if you are the primary subscriber). By selecting "Paperless", you agree that we may provide you with access to EOB communications in an electronic format and that we may discontinue sending paper communications to you. You may withdraw your consent and begin receiving mailed paper EOB statements again by going to the "Profile" link at the top right of the website screen and selecting "Paperless EOB tab".

Click [HERE](#) to go to the Paperless election area.

If you choose to sign up for paperless you will be directed to your profile screen. Click the paperless EOB button and you can choose paper or paperless and this can be changed at anytime
